

## **Full-Time / Part-Time Senior Lighting Technician**

At Alive Technologies, we are a premier Tasmanian production company, proud to be the largest in Tasmania. Our expertise lies in delivering top-tier events, including festivals, corporate gatherings, and video conferencing services, both nationally and internationally. We are committed to providing high-quality experiences tailored to our clients' needs.

Join our active team in Tasmania as a Lighting Technician. At Alive, we value unique skill sets, points of view, and a passion for excellence. If you're eager to contribute to a growing company and be part of exciting projects, this opportunity is for you.

**Position:** Lighting Technician

**Location:** Southern Tasmania (Relocation assistance available)

**Remuneration:** Based upon experience and ability (\$60,000 – \$90,000)

**Type:** Full-Time

### **Responsibilities:**

- Operating and maintaining Lighting equipment, including MA and HOG consoles.
- Assisting with on-site and warehouse logistics and coordination.
- Setup and pack down of equipment.
- Transportation of equipment as needed.

### **Requirements:**

- Able to lead teams to tight deadlines.
- At least 3 years of high-end technical experience - bonus points for experience with brands such as Robe and Martin.
- Strong work ethic and commitment to safety.
- Cognitive flexibility in a changing and fast-paced environment.
- Current driver's license.
- Strong communication skills to team and to clients.
- Experience in rigging and truck driving not required but willingness to acquire will be greatly considered.

**Benefits:**

- Opportunities for career growth and development.
- Relocation assistance available for qualified candidates to live in one of Australia's most beautiful states.
- Engage with a collaborative team in a multi-talented environment.
- Strong focus on mental and physical wellbeing with dedicated staff to this ideal.

**How to Apply:** Interested candidates should submit their resume and a single page cover letter to [jclark@alivetechologies.com.au](mailto:jclark@alivetechologies.com.au). Please include "Lighting Tech Application" in the subject line.

If considered for the position, references will be required.
