

Alive Fabrications – Head Fabricator Position

Location: Huntingfield, Tasmania

Hours: Fulltime – Flexible.

Salary: \$60,000 - \$100,000 (based on experience and ability)

Award Level: C10 – C2 (Manufacturing and Associated Industries and Occupations Award 2020)

About Us:

Alive Technologies - Fabrications is a proudly Tasmanian-owned company that's been at the forefront of delivering exceptional fabrication solutions for the conference, festival, and music industries across Australia. Our commitment to quality and innovation has earned us a reputation for excellence and ability.

Why you'll love working with us:

Competitive Salary: Earn between \$60,000 - \$100,000 based on your ability to fill the "Your Role" criteria and experience.

Growth Opportunities: We invest in our people with professional development and training programs.

Supportive Culture: Work in an environment where teamwork and a positive attitude are at the heart of everything we do.

Your Role:

As our Head Fabricator, you'll be key in bringing our projects to life. Your day-to-day will include:

Fabrication: Weld ferrous and non-ferrous metals, operate CNC Plasma beds and vertical mills, perform sheet metal work, and even dive into spray painting and general maintenance.

Blueprints and Schematics: Interpret and execute plans with precision, ensuring every project meets our exacting standards.

Time Management: Juggle tasks and deadlines, adapting to changing priorities with ease.

Quality Assurance: Maintain the highest standards in everything you do, reflecting our brand's commitment to unchanging high quality.

Team Player: Build strong, positive relationships with your colleagues, management, suppliers, and customers, fostering a collaborative work environment.

What You Bring to the Table:

Experience: Proven welding expertise across multiple materials.

Technical Understanding: Ability to read and interpret technical plans, drawings, and schematics.

Independence: Excellent time management skills and the ability to work autonomously.

Attention to Detail: A meticulous approach to ensuring high-quality outcomes.

Adaptability: Flexibility to adjust to changing work schedules and priorities.

Interpersonal Skills: Strong communication skills and a positive attitude that contribute to a great workplace atmosphere.

Bonus Skills (Not Required, but Great to Have):

Woodworking skills (e.g., table saws, routers).

Forklift license or heavy vehicle license.

CAD design and modelling expertise.

Experience in plastic welding.

How to Apply:

Send your resume and a cover letter to jclark@alivetechologies.com.au

Be sure to include "Fabrications" in the subject line.

Alive Technologies is an equal-opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
